Re: deputing officials and officers of the Food Dept. for inspection work in the districts - with the Director.

Letter no. C2. C. 4245/44-45 dated the 8th March 1945, from the Director of Food Supplies, requesting that he may be permitted to depute such officers and officials as may be considered necessary by him consistent with the nature and volume of inspection work that has to be turned out in the course of his tours in the districts.

1) This stands that in the T.A. Bill of the Director's office for the month of January 1945, the Auditor and Accounting officer attached to the Food Dept. has raised an objection to the taking of the Office Manager (by the D.F.S.) on inspection work to the districts and has pointed out that according to G.O. No. D. 10380-81/C.V. 17-30-5 dated the 16th May, 1931, the Office Manager should not be taken out on tours except on special occasions. In the circumstances explained in his letter, the D.F.S. has requested that in modification of the above G.O. he may be allowed "some freedom of action" to choose and send any officer or official under

GOVERNMENT OF MYSORE.

D. No. 5099/re

No. C2.C.4345/44-45. Office of the Director of Food Supplies in Mysore, Bangalore, Dated, the 8th March, 1945.

9 MAR 1945

To

The Secretary to Government,
Development Department (Food Supplies),
Bangalore.

Sir,

I have the honour to state that in the T.A. Bill of this office for January 1945, the Audit & Accounting Officer, Food Supplies, has raised an objection to my taking the Manager of the office on inspection work to districts and has stated that as per Government Order No.D.10380-81-C.V. 17-30-5 dated the 16th May 1931, the Manager of the Office should not be taken out on tours except on special occasions.

From a perusal of the abstract of the Government Order printed on page 23 of the monthly proceedings for May 1931, it does not seem as if it is a standing order. I have however not yet been able to get an original copy of the Government Order and I have requested the Auditor & Accounting Officer to kindly furnish me with a copy of the same.

Quite apart from this, I may be permitted to state that this Government Order is as old as 1931 and in respect of T.A. claim of of a ministerial officer of a technical department, the executive work of which is done by officers who are technically qualified for the job, I am afraid that the application of the Government Order to the present circumstance works as a hardship as conditions have ~~as~~ considerably changed since 1931. The Food Supplies Department is an emergency department and a purely temporary one. There are no technically trained officers for assisting me in my inspection work in the Districts and this has to be done only by the officers and officials of my office. The Manager of the Office is acquianted with the work of all the branches of the office while the other officials who have been entrusted only with particular sections will not generally be in the know of the working of the other sections. It is for this reason that the Manager of the Office, is taken out on inspection work whenever considered necessary. If as objected by the Auditor & Accounting Officer, the Manager should not be taken out on tours, one of the Gazetted Assistants of the Office will have

have to be taken out, which will only [illegible] expenditure to Government. I therefore suggest that in the matter of inspections which I am expected to conduct, I may be allowed some freedom of action to choose and send any person whom I consider necessary, as such objection as has been raised by the Auditor & Accounting Officer will only tend to impede the progress of work of inspections, which, in this Department, is as important as office work. Further, the work of inspections being one which requires speedy and efficient scrutiny I have to depute, in the alternative, only senior officials of the office who are getting a pay of Rs.80/- or more and the savings in the cost of T.A. thus effected may not be more than annas 0-8-0 per day, (pay of the Manager - Rs.120/-, pay of the Senior Clerks - Rs.80/-), I think, such restrictions as are intended to be imposed are not really necessary.

In the above circumstances, I request that I may be permitted, in the course of my tours, to depute such officers or officials as may be considered necessary by me consistent with the nature and volume of work that has to be turned out.

I have the honour to be,
Sir,
Your most obedient servant,

Director of Food Supplies.

The claim in question is sanctioned. Government regret the general sanction asked for cannot be given as it is a wholesome rule that Heads of Offices should not take with them to camp the ministerial head of the Office or Manager except on special occasions.
